7.2 Best Practices

➢ Enrichment Beyond Classroom (EBC) 2.0

- **The Context:**

  - Students with basic academic skills need overall development.

- **Objective:**

  - Provide platform for 360° development beyond the syllabus.

- **Practice:**

  Finishing School, Certificate Course on Basic Crocheting by Statistics Department, Innovation Club, Hindi Department launched a wall magazine called 'Vachikam' managed by students, Commerce-Accountancy Department launched Neo-Commerce Club for carrying out beyond classroom activities related to Commerce, Field visits by History & Gujarati Department

- **Evidence of Success:**

  - 30+ students participated in the *Basic Crocheting Certificate* Programme, and 52 in Finishing School, 37 Students in Certificate Course on Ethics and Moral Values offered by Commerce-Accountancy Department

- **Problems Encountered:** None

➢ SSIP

- **The Context:**

  To develop an entrepreneurial mindset amongst youth and support Start-up culture driven by the SSIP 2.0 policy of Government of Gujarat.

- **Objective:** To create a Start-up oriented atmosphere at college through student sensitization taking help from innovation club.

- **Practice:** The College initiated a regular Talk Session series called 'Start-up Shaala: Learnings from Entrepreneurs' for student's sensitization towards Start-up.

- **Evidence of Success:** 185 students were sensitized during the year. The SSIP committee made efforts and secured Two computers and Two Printers from a company under their CSR.

- **Problems Encountered:** None
